¹ Source: Analysis of City of St. Paul Department of Safety and Inspections Fire Certificate of Occupancy data. Note: The City of St. Paul requires inspections of non-owner occupied housing units on a regular basis. Class C and Class D properties are those that are least compliant with all state and local safety codes, triggering re-inspection every two years (Class C) or one year (Class D). Reported units only include those which receive a Fire Certificate of Occupancy grade, a practice which is only required for single family homes and duplexes that are not owner-occupied, and for rental properties of three or more units, and excludes units that mix residential with other uses.

Apartment Sales & Development

Apartment Development as of Q1 2020¹

**Projects Proposed**
- w/Known Affordable Units: 18
- w/no Known Affordable Units: 5

**Projects Permitted & Under Construction**
- w/Known Affordable Units: 12
- w/no Known Affordable Units: 11

Presence of affordable units is not always known when information is gathered for this metric and thus it is most accurate to simply refer to projects “w/Known Affordable Units” and projects “w/no Known Affordable Units.”

Notable Housing Facts

47% of St. Paul renters live in housing that is not affordable to them¹

Affordability is defined as paying no more than 30% of pre-tax household income on gross housing costs (which includes rent and utilities). Those paying more than 30% of their income on housing are considered cost-burdened, a figure that is typically much higher among renters than homeowners.

5.1% of St. Paul Public Schools students experienced homelessness in the past year²

St. Paul Public Schools tracks homeless and highly mobile students lacking a fixed, regular, and adequate nighttime residence (homelessness as defined by the McKinney-Vento Homeless Assistance Act). This includes children who live in shelters and transitional housing; those living in motels, hotels, and weekly-rate residences; those doubled-up with friends or non-immediate family; those living in abandoned buildings, public space, or cars; and those awaiting foster care placement.
